SUBJECT: MATERIAL SAFETY DATA SHEETS (MSDS)

In order for Douglas Aircraft Company to comply with the provision set forth in 29 CFR 1900.1200 - Hazard Communication Standard - a Material Safety Data Sheet for each of the following products produced and sold by your company, is requested. In replying to this request, please use our DPM or DMS number so that we may properly identify your product for our files.

Douglas Part No.: **DMS 2100 Rev. B**

Your Product: **PH 13-8**

A complete list of hazardous ingredients must be provided so that we may take appropriate action. If for any reason an MSDS cannot be supplied, please notify us in writing.

The information on these Material Safety Data Sheets will be used to inform our employees of the hazardous ingredients and to train them in the proper methods of handling the product.

As set forth in the 29 CFR 1900.1200, failure to comply with this request within 25 working days will result in the forwarding of a copy of this letter to the Long Beach Federal OSHA.

We would like to thank you in advance for your anticipated speedy cooperation in this matter. If you have any questions regarding this request, please feel free to call on us. We will be happy to assist you. Please return a copy of this request with the MSDS.
